Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

A Million Times Smarter

There were three men who died and before God would let them into heaven, God gave them a chance to come back as anything they wanted.

The first guy said, "I want to come back as myself, but 100 times smarter."

So God made him 100 times smarter.

The second guy said, "I want to be better than that guy, make me 1000 times smarter." So God made him 1000 times smarter.

The last guy decided he would be the best. So he said, "God, make me better than both of them, make me 1,000,000 times smarter.

So God made him a woman.
