Membership & Extension

Rotary club members are part of a diverse group of professional leaders working to address various community and international service needs. Through community service and other means, Rotary club members help promote peace and understanding throughout the world. Our members are our most important asset. They are the force that allows Rotary to carry out its many humanitarian efforts and achieve its mission.

What are the responsibilities of membership?

Members are expected to attend weekly club meetings. Members must pay annual dues to their clubs, their Rotary district, and Rotary International. Members are expected to participate in local or international activities or projects of the Rotary club. Clubs encourage members to aspire to leadership or committee roles within their clubs.

Taking Faith Healing Too Far

A faith healer asked Moshe how his family was getting along. "They're all fine," Moshe said, "Except my uncle. He's very sick."

"Your uncle is not sick," the faith healer said. "He THINKS he's sick."

Two weeks later, the faith healer ran into Moshe on the street. "How is your uncle getting along?" he asked.

Moshe shrugged, "He THINKS he's dead."
